

BVI Scholarship Programme

The BVI Scholarship Programme aims to invest in students who demonstrate outstanding scholastic achievements and whose professional aspirations are in line with Harneys development. This scholarship programme is devoted to providing financial coverage and job placement opportunities during and prior to programme completion.

Once a part of the scholarship programme, students are given internship opportunities to gain valuable insight into Harneys, in hopes of promoting firm familiarity. This in turn, allows for a seamless transition from the scholastic environment and into their professional careers. In addition, there is also an internship provision which grants the opportunity to be placed within one of our many jurisdictions around the world, allowing for further exposure to varying firm dynamics, and international environments, thus creating a well-rounded student and, by extension, working professional. Harneys overall goal is to invest in its future by providing academic opportunities to its prospective workforce.

Legal scholarship opportunities target students aiming to pursue a Law degree or any of the following post-graduate conversion and post-graduate qualifying courses:

- Professional Practice Course
- Legal Practice Course
- Bar Professional Training Course
- Solicitors Qualifying Exam

Non-legal scholarships are aimed at students who wish to pursue a business-specified degree that can foster integration within any of the additional practice areas within Harneys.

BVI Scholarship Programme application checklist
